All products promoted or offered during the Plant-Powered Perspectives 2024 conference must be 100% plant-based. Unless otherwise agreed, interest in including your products in catering and the necessary method of preparing the products must be confirmed at least one month before the conference. If the partner is a distributor presenting multiple brands at the conference, terms are negotiated individually. The conditions in this document are indicative, and the final terms of the partnership are negotiated on an individual basis.
